

# MANGO

## Kaew from Vietnam

### Origin

dry season with hot temperatures

wet season with cool temperatures and occasional thunderstorms

### Colour

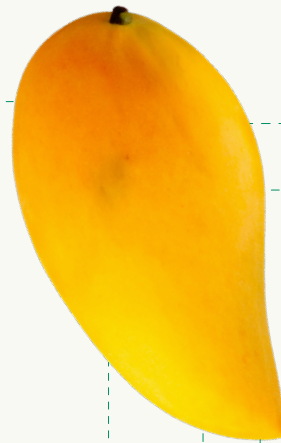

Yellow inside

### Peak harvest

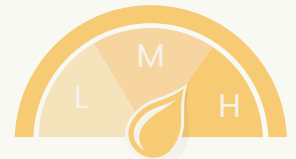

main season

sub-season

### Firmness

Medium-high

### Mango-mazing

Versatile use

Highly reliable supply

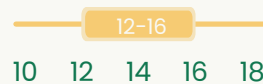

Available in chunks & dices

### Taste profile

### Brix

Crop's experts love this mango ...

ripe in fruit mixes, smoothies, fruit preparations, jams, prepared meals & freeze dried

less ripe in fruit salads in syrup & fruit preparations with high fruit recognition
